FEBRUARY AND OTHER FORM BOOKS.

February books of Form Charts in paper cover are on sale. They contain all the Form Charts of all tracks from February 1 to February 28, inclusive. Price, \$1.00.

GOSSIP OF THE TURF.

F. T. Woods, the well-known Texas turfman, was a visitor at the Fair Grounds Monday. He reports that his old sprinter Dora Woods, which won many a race on the western circuit, is due to foal to Commercial Traveler about March 8. Commercial Traveler is a son of Hanover, and in the spring of his two-year-old form was thought to be one of the best of his year in the east. Woods bought him for a song at the close of the meeting here last spring and brought him down to Texas. He was shipped from there to California and sold for \$2,000 to a breeder in Oregon, where he now stands at a stock farm.—New Orleans Picayune.

"Show me the men," said Dave Gideon the other day, "who persist in running their horses dishonestly, and I will show you a man who will go broke in less than two years. Honest owners fall often enough on the turf, but they sometimes succeed, while a dishonest owner never lasts long on what may be regarded as the legitimate tracks.

"A great deal of sheer nonsense is talked by men who ought to know better about the dishonesty of horse owners, jockeys and trainers. Men are bound to have ups and downs when they are backing horses, but some of them will not acknowledge that their judgment can ever be at fault."

Ralph Bayard has been selected as racing secretary of the Brighton Beach Racing Association. Mr. Bayard is a well known newspaper man and race track official. He acted as secretary of the Alexandria Island (Va.) track for a year and a half and was presiding judge for two seasons at the outlaw tracks at Barkdale and Singlerly. The appointment gives general satisfaction to horsemen. Mr. Bayard is well known here in Chicago as a newspaper worker in the 80's and later as a turfman.

WILD PIRATE CLAIMED.

NEW ORLEANS, March 1.—Wild Pirate was claimed by H. T. Griffin at the end of the second race today.

Jockey Rose will ride for John J. McCafferty during the remainder of the meeting.

NOTES OF THE TURF.

Concerning Imp, a dispatch from Chillicothe Tuesday says: "Despite the cold weather of the past week, Mr. Charles Brossman, the trainer of Imp, has had the mare out every day at the Fair Ground track, and reports that she is keen as a brier. She shows all her old eagerness for hard work, and promises to be stronger and faster than she has ever been. She is rapidly getting into shape, and her trainer is delighted with the way she has buckled down to work."

When Julius Caesar ran 17-8 miles at New Orleans Tuesday in 3:19 he clipped a full second from the long standing record of 3:20, made by Enigma at Sheepshead Bay September 15, 1885. She only carried ninety pounds, so Julius Caesar's was in every respect the superior performance. It is, however, a distance so seldom put on a racing program that the performance does not count for much.

Pupil, one of the most promising three-year-olds in Green B. Morris' stable, may not get to post before midsummer. In firing and blistering the colt recently the iron was applied too heavily, and the youngster must be turned out for many weeks.

Hon. Edward F. Kearney, long president of the Saratoga Racing Association, died recently at a southern health resort. Mr. Kearney was 73 years of age and had been in ill health for some time.

RACING FORM'S SELECTIONS.

DAILY RACING FORM has no private infor-
mation. It seeks none. Its calculations over the
horses as they are grouped daily at various
racetracks are purely those of general perfor-
mance and ability as shown by the records and
the application and knowledge of its editors
and the reports of its correspondents. These
calculations are printed daily. Nothing is
hidden. All that the staff of the paper knows
is put into type. If the selections made nightly
are sought by persons outside the daily delivery
lines of the paper they will be sent by Western
Union night rate messages (collect) at \$5 per
track per week. Such service is not solicited,
but if it is considered valuable, will be per-
formed.

PEDIGREE BLANKS.

On linen paper, artistically edged in colors,
ruled and arranged for six generations of sires
and dams of individuals and their ancestors.
Ten cents each, \$1.00 per dozen, \$3.50 per hun-
dred. No owner of a stallion should be with-
out a supply.
